

April 11, 1941.

State of New Jersey,
The Commissioner of Motor Vehicles,
Trenton, N. J.

Attention of Mr. G. Suozzi

Dear Sir:

Your letter of April 10th asking me to return to you my 1941 certificate #X L 626, so that you may examine it and see if it has been incorrectly typed.

I would like to inform you that the bus is at present at Daytona Beach, Fla. where the ball club is in training. If you insist, I can communicate with the chauffeur and have him mail the license to me and forward it to you, however, I would like to inform you that the team will be travelling quite a little playing ball games before their return to Newark for the opening here on Sunday, May 11th. They are scheduled to play as far West as Birmingham, Ala. I am a little fearful in those foreign states they may run into some complications, if they do not have the registration card, even though they would be in possession of your letter.

I will greatly appreciate your co-operation in this matter, and would assure you that I will return the card to you immediately upon their return, if however, you deem it necessary to have it at once, I will immediately communicate with the driver of the bus.

Will appreciate hearing from you right away.

Very truly yours,

EM:CCJ
